

# We are now offering estate planning and other legal services from the comfort of your home.

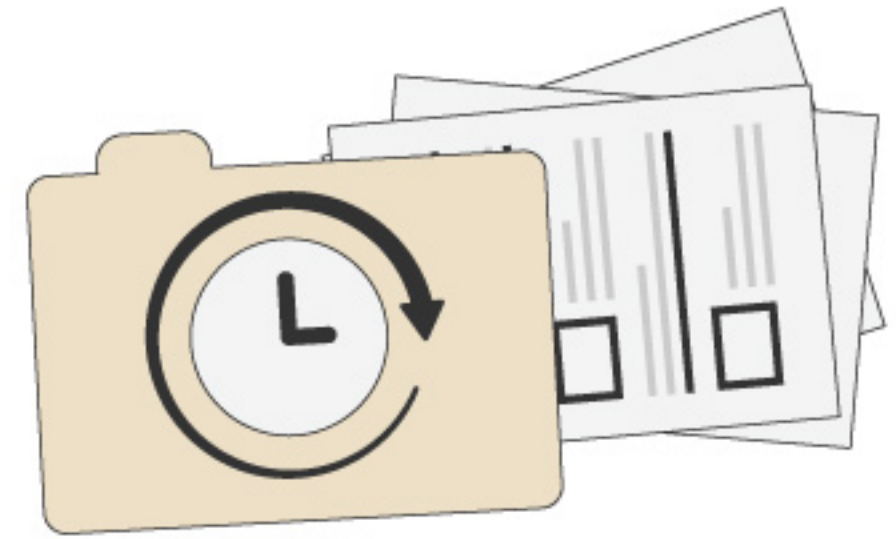

**1**

**Start with a virtual consultation with Elliott, using Zoom.**  
Zoom is an online meeting platform. It's free and easy to use.

**2**

**We'll draft your documents and have them ready for your review within 30 days.**  
Expedited services are available.

**3**

**We securely send your documents to you so you can review them from the comfort of your couch.**  
We are available for any questions or changes you may have during your review.

**4**

**Schedule your in-person signing. We have created a mindful, abbreviated signing process.**  
This part is required by law to be in-person
