

Elliott Stapleton, Esq.

Elliott helps protect what you earn, avoid unnecessary risks, and plan for success.

As an attorney with CMRS Law, Elliott's legal services include Estate Planning and Asset Protection; this includes creating a Will, Trust, Powers of Attorney, Living Will, and other legal devices.

To provide clients with certainty, most legal services are based on flat rates. The flat rate for services is based on each client's specific goals and the options selected to achieve those goals established in the initial consultation.
